# WINE of the WEEK

MontGras Carmenère Reserva 2008

**Telegraph.co.uk**  
Jonathan Ray

*"From the MontGras San José estate in the Colchagua Valley, an oak-aged 100 per cent carmenère that positively brims with ripe, spicy fruit, vanilla and dark mocha chocolate. Long out of fashion in Bordeaux, this variety thrives in Chile like nowhere else and is a joy best served with rare steak."*
