The Best Carmenère from Colchagua (Below Ch\$7.000)

by Patricio Tapia

MontGras Carmenère Reserva 2008

Wikén
MERCURIO

Barrel notes predominate for the time being in this ambitious Carmenère. **It's big, solid**, the toasted oak has a primary role and the **mature and concentrated fruit** behind is as dark as the night.

88 Pts. This variety has been successful in the Colchagua Valley, especially in the warmer areas.
